Signatures of the teachers that support this assessment

All teachers impacted by this assessment should sign this document. For instance, if this is a common assessment for grade 2, then all grade 2 teachers should sign below. If this is an assessment for a health class at the high school, then members of the District Health Committee need to sign. The reason for signing below is to show that a GROUP of teachers have agreed that this assessment is a high quality assessment and should be part of our collection of Common Assessments.
