

## Curriculum Review Cycle

### **Purpose:**

- To be reflective about our curriculum and instructional practices.
- To provide information to the Long Range Planning Committee and the School Board in order to set short term and long term curriculum goals
- To provide all curriculum areas fair access to curriculum funds in a rotation.

Curriculum Areas will use the Curriculum Review Framework in order to be self-reflective about areas of strength and areas that need upgrading. This framework requires that evidence be presented to substantiate any opinions. Please see attached *Curriculum Review Framework*.

### **This will be the Curriculum Review Cycle:**

2007-2008 English Language Arts  
2008-2009 Mathematics, Health/PE  
2009-2010 Science, Visual and Performing Arts  
2010- 2011 Social Studies, World Languages  
2011-2012 Technology, Career Prep

...and then the cycle will start over

### **Reviewed every year per grant requirements:**

Title I Program  
Gifted and Talented Program  
Special Education
