

MSAD 11 Academic Audit Advisory Committee

Charge:

The Committee will assist with the oversight of the process of developing actions to implement recommendations from the Academic Audit Report.

Specific Duties of the Committee:

To help insure continued strong focus and collaboration of PK-12 staff and administration, students, parents, community members and Board members in developing actions to implement the recommendations in the Academic Audit Report.

To help ensure that the actions developed are systemic and result in a consistent approach in all MSAD 11 Schools.

To help and assist with the implementation of these actions and the development of valid, reliable measurement tools to regularly monitor progress toward achieving the recommendations.

To provide updates to the Board as needed on progress and needs in addressing the recommendations in the Academic Audit Report.

Committee Members:

Paul Knowles, Superintendent
Howie Tuttle, Director of Curriculum and Assessment
Peg Long, Special Education Director
Arthur Warren, GRMS Principal
Chad Kempton, GAHS Principal
