Maine Department of Education
School Food Service Reimbursement System
Per Meal Costs - By District and Fiscal Year

District: Sad 11

*- Total \$ raised
- other schools*

This report lists per meal costs for state fiscal year 2008 categorized by food, labor, and other costs. Costs for the individual items are computed to an accuracy of .0001 cent, then rounded off to the nearest cent. Because of this rounding, the total may not exactly equal the sum of the individual items.

If the per meal costs are higher or lower than you anticipated, you may wish to re-examine your claim form and submit a revised claim.

Any questions relating to this report should be directed to Nanci Kittredge, School Nutrition, either by e-mail or phone at 624-6877.
