

School Board Work Items for 2008-2009 include:

1. Assist with the implementation of the 6-12 Academic Audit Report Recommendations.
2. Complete the 6-12 Athletic Audit and assist with the implementation of any recommendations.
3. Discuss the possibility of creating a PK-2 and 3-5 school structure at Hamlin and Pittston. Explore the possibility of applying for new school construction, or move grades to the Middle school to create extra space at elementary schools with the possibility of closing an elementary school.
4. Conduct System Program Reviews (mathematics and health and physical education)
5. Conduct a feasibility study regarding the building of a bus maintenance facility and owning and maintaining our own fleet of buses.
6. Establish the 2009-2010 District Budget.
7. By contract agreement with the teachers, conduct six Relations by Objective Meetings
8. Reestablish the Board's Energy Committee
9. Discuss/explore recreating the District's image
